I'll find my spot in the world,
If it takes forever,
One day, I'll bring all the spots,
In the world together,
I'll find one spot,
Or two or three,
I'll find the spot that's meant for me,

I'll find my spot in the world,
If I just believe it,
And when I do,
You know I'm,
Never gonna leave it,
It tears the spot,
When rainbow starts,
I find my spot inside your heart,

It could be under my nose or across the ocean,
Tickle my strength and my emotion,

It's deeper than the eye can see,
I find the spot that's meant for me,

I'll find my spot in the world,
If it takes forever,
One day I'll bring all the spots,
In the world together,
I'll find one spot,
Or two or three,
I'll find the spot for me,

I'll find my spot in the world,
If it takes forever,
