You keep me stayin up all night waitin for your call  
believen your promises  
Settin myself up for your lies  
Takin my time to trick myself as if it's all okay, that your  
lovin's true  
But baby I haven't told you

Chorus:

I'm tired of standin in this rain, I wanna dance myself  
away  
Let this sun shine through and dry up all the tears take  
me back to the  
Start erase what got me here. Go back to lovin like that  
instead of hatin  
Like this just let me dance myself away

I miss stayin up asll night phone conversations. now  
you barely even call  
We rarely even talk but I don't wanna let you go you  
mean too much to me but  
Baby can't you see

Chorus:

I'm tired of standin in this rain, I wanna dance myself  
away  
Let this sun shine through and dry up all the tears take  
me back to the  
Start erase what got me here. Go back to lovin like that  
instead of hatin  
Like this just let me dance myself away

I remember sneakin outside to see your handsome  
face you had our lovin so  
Free and I loved you so deep I couldnt get you off my  
mind, never could  
Think straight  
Now your pushin me around and I can't take it we use  
to shine like starts  
Now I have to quit and say

Chorus:

I'm tired of standin in this rain, I wanna dance myself  
away  
Let this sun shine through and dry up all the tears take  
me back to the  
Start erase what got me here. Go back to lovin like that  
instead of hatin  
Like this just let me dance myself away

I'll just dance myself away from you
