I remember our first date out, layin in your truck  
beneath the clouds  
Oh you took my breath away right there by that lake  
Got these feelins I never knew, made me speechless  
didn't know what to do  
Oh but I know one thing for sure

Chorus:

I love them forest colored eyes starin back at me  
Wantin you close just to hear you breathe, oh baby I  
must be fallin for you  
Know it's true cuz I'm weak at my knees that's all the  
proof I'll ever need  
I can't help it cuz baby I'm fallin for you, fallin hard for  
you

Seein that smile upon your face makes me thank God  
for everyday I get to  
See it shine you make me feel like the happiest girl  
upon this whole wide  
World  
Open your eyes baby look and see that

Chorus:

I love them forest colored eyes starin back at me  
Wantin you close just to hear you breathe, oh baby I  
must be fallin for you  
Know it's true cuz I'm weak at my knees that's all the  
proof I'll ever need  
I can't help it cuz baby I'm fallin for you, fallin hard for  
you

You've got me fallin harder then I've ever known catch  
me baby, oh catch me  
Now don't let me crash and hit the ground

Chorus:

I love them forest colored eyes starin back at me  
Wantin you close just to hear you breathe, oh baby I  
must be fallin for you  
Know it's true cuz I'm weak at my knees that's all the

proof I'll ever need  
I can't help it cuz baby I'm fallin for you, fallin hard for  
you

I'm fallin, fallin, got me fallin hard for you
