You stand there takin my hand slow
You make me fearless, baby did you know?
Your blue eyes shine and brighten my whole day
Your smile lightens my world and makes me feel okay

CHORUS:

Cuz when I'm wishin on a star
Livin in this dream
It's like a little fairytale brought upon me
The thought of bein with you till the end
The reason for livin
My love story's perfect end

It's 2am on a night with December air
Standin in my driveway when I catch your stare
You grab my hands, and tell me to close my eyes
And make a wish upon that December sky oh

CHORUS:

Cuz when I'm wishin on a star
Livin in this dream
It's like a little fairytale brought upon me
The thought of bein with you till the end
The reason for livin
My love storys perfect end

He's the boy I've always wanted to know
He's the country boy that'll drive ya crazy so
You pick a fight you can't stay mad for long
Cuz his smile gets ya laughin along
You just wanna take him, bring him with you, and
runaway

CHORUS:

Cuz when I'm wishin on a star
Livin in this dream
It's like a little fairytale brought upon me
The thought of bein with you till the end
The reason for livin
My love storys perfect end

Come on baby think it through

I know you want to so
Come on come on

CHORUS:

Cuz when I'm wishin on a star
Livin in this dream
It's like a little fairytale brought upon me
The thought of bein with you till the end
The reason for livin
My love story's perfect end

My love story's perfect end
The one I've been dreamin about
My love story's perfect end.
