And take me back to that fairytale  
You know the one that momma used to tell  
About that boy. Oh that boy, ya...  
The one that made her fall in love  
The one she knew as her sweetest crush...  
Oh that boy  
Ya I found one like that boy...

Chorus:

He takes me back to them days when I fell fearless in  
love  
Daddy never knew and that was tough  
Oh he was, that wrong kinda love  
He makes me smile and he makes me laugh he makes  
me cry and he makes me sad  
But yet he everything to me  
He's all I need.  
Oh that boy

He's got one of them laughs that make me smile  
And a personality that drives me wild  
His brown eyes shine; like vegas lights  
He's got that short temper and a jealous heart but yet  
he care for me and that's all I need o that boy...

He takes me back to them days when I fell fearless in  
love  
Daddy never knew and that was tough  
Oh he was, that wrong kinda love  
He makes me smile and he makes me laugh he makes  
me cry and he makes me sad  
But yet he everything to me  
He's all I need.  
Oh that boy

He's got me crazy in love and crazy for him  
Kissin in the chevy and sleepin till ten  
Yeah that's the way he makes my day  
Oh that boy... Oh this boy...

He takes me back to them days when I fell fearless in  
love

Daddy never knew and that was tough  
Oh he was, that wrong kinda love  
He makes me smile and he makes me laugh he makes  
me cry and he makes me sad  
But yet he everything to me  
He's all I need.  
Oh that boy

Now heres the boy to my fairytale  
The one that I'll always tell  
About this boy  
Oh this boy
