If I could tell you how I feel
Things wouldn't be this way
I'd say I love you all the time
I'd tell you everyday
If I could show you something real
And you could do the same,
I'd show you I'm not made of steel
I'm a shaky windowpane

Well it's a heavy scene
And all it brings is misery
Hey, pretty thing, I'm not the enemy
I'm not the enemy

You cover me with evil stares
Like I shouldn't care at all
You might as well be in palermo
But you're just behind the wall
And everything I try to say
Comes out the wrong way
But you don't forgive and you don't forget
And we go our separate ways
Well it's a heavy scene
And all it brings is misery
Hey, pretty thing, I'm not the enemy
I'm not the enemy
It's a heavy scene
And all it brings is misery
Hey, little queen, I'm not the enemy
I'm not the enemy

(it's the heavy scene)
I'm not the enemy
I'm not the enemy
I'm on your side
It'll be alright
Just let me in
I'm on your side
It'll be alright
Just let me in
Let me in
I'm on your side

It'll be alright
Just let me in
Just let me in
It's a heavy scene
(oh heavy)
And all it brings is misery

It's a heavy scene
(oh heavy)
All it brings is misery
It's a heavy scene
(oh heavy)
All it brings is misery
It's a heavy scene
(oh heavy)
All it brings is misery.
