Burning,
Still faithful,
And smoking cigarettes he falters,
Yearning,
For one taste full,
Soft brown skin cool water.

He said ' I'll keep you clean ',
He said ' I'll feed you my sweet',
Lolita,
He said ' don't ever fear for,
I'll be ever near my,
Lolita '.

Turning to danger,
And taken in by lovely strangers,
My thirsty little angel,
Are you sleeping in the devil's manger.

He said ' I'll keep you clean ',
He said ' I'll feed you my sweet',
Lolita,
He said ' don't ever fear for,
I'll be ever near my,

Lolita '.

She's sleeping, so peaceful,
She's everything, she's everything,
But she's awaking and my heart's breaking
She's taking all her pretty things away.

He said ' I'll keep you clean ',
He said ' I'll feed you my sweet',
Lolita,
He said ' don't ever fear for,
I'll be ever near my,
Lolita '.

He said ' I'll keep you clean ',
He said ' I'll feed you my sweet',
Lolita,

He said ' don't ever fear for,
I'll be ever near my,
Lolita '.
