She's never on my side
She competes just for fun
But I'll never win no matter how fast I run
She always seems so sure
But she's full of shit
And she's making me like her

No, it doesn't matter where I go
She's the one who's in control
And I'll never be alone I know

Oh, if you're looking for my soul
She traded that old thing in years ago

She doesn't let me speak to anyone else
She's forcing me to live out this life by myself
She's got a wicked tongue
She's a bitch and she'll turn me into one

No, it doesn't matter where I go
She's the one who's in control
I'll never be alone I know

Oh, if you're looking for my soul

She traded that old thing in years ago

No, it doesn't matter where I go
She's the one who's in control

But if I close my eyes she'll disappear
She'll still whisper in my ear
It's her voice i've come to fear
But she's still here
Taking count and keeping score
I'm the girl she can't adore

If I close my eyes she'll disappear
She'll still whisper in my ear
It's her voice i've come to fear
But she's still here
Taking count and keeping score

I'm the girl she can't adore
