Do you remember when you met me?
Everyone was so amused.

"Why'd ya take up with this girl?

She's kinda spaced, and looks confused."

Guess I must of been too dense to let it get me down.

'Cuz, I just woke up one day with nice things around...

Evidently, my time has come.

It's nothing I did that I can see.

The same energy it took to fumble,

carrys me through so I succeed.

I was crawling through the desert,

searching for some sign of life.

Always knew that my oasis,

was up ahead, just to the right.

And as I threw my body against the wind,

Suddenly I lost resistance, and so it begins...

Evidently, my time has come.

It's nothing I did that I can see.

The same energy it took to fumble,

carrys me through so I succeed.

(Solo)

Evidently my time has come...

it's come...
