Ooh, you have won
Take my heart
I think about you night and day
Am I wrong in this game
Sometimes you seem so far away
And I'm longing for your touch

Darlin don't leave me this way
Darlin don't leave me at all

Ooh you're here
And you're there, everywhere
But I never know just where you're at
Do your eyes tell me lies
I thought that they were saying that
You were longing for my touch

Darlin don't leave me this way
Darlin don't leave me at all

You are the sweetest thing I found
In New York City
You are the sweetest thing I found
In my life
You are the sweetest thing
I really think you're pretty
You are the finest thing that's happened to my life

Ooh, you have won
Take my heart
I think about you night and day
Am I wrong in this game
Sometimes you seem so far away
And I'm longing for your touch

Darlin don't leave me this way
Darlin don't leave me at all

Please don't leave me now...

Darlin don't leave me this way
Darlin don't leave me at all

Don't leave me oooh, don't leave me
Darlin, Darlin
Please don't leave me
Darlin don't leave me at all
Ah, ha ah, ha
