I watch, I wait, I hesitate.
Everyone else is sent away.

The hands of time keep racing on.

I'm frozen here in yesterday.

I've got these pictures here in my head.

They seem to void all that you said.

I've got this strange suspicion...

I'm Still Not Over You.

We laughed, we cried, we harmonized.

How could I feel that way again?

For you, it's all new, to be on your own.

Do you think about me now and then?

I call you on the telephone.

It's all too clear your life's moved on.

For me, the world's not turning...

I'm Still Not Over You.

(Solo)

I've got these pictures here in my head.

They seem to void all that you said.

I've got this strange suspicion...

I'm Still Not Over You.

I'm Still Not Over You.

Got to get over you...
