You need the Lord
For real success
You need the Lord
For your next breath
Without Him being real
In your life
There's no way
You can make it
In life (2x)

Some people now are trying
Trying hard to have some joy
But joy is not man's effort
It's a way of life you know
Some people now are trying
Trying hard to have some joy
But joy is not man's effort
Yawe is the provider
Some people talk about freedom
But they're never free
They don't know God is the way of
Freedom that last forever
Some people talk about freedom

But only God can give the real freedom (2x)

Surrender all to the Lord
If you need to have joy

If you need to have peace

Surrender (3x)
If you need real freedom

I surrender all to the Lord
'Cause He's the provider(3x)
