What you know is what you are
Hollywood is Shangri-La
Will you ever make your mind up there?

I see thunder all through the sky
Heaven burning in your eyes
In my dream I know that you still care

Won't somebody show me the way?
Show me the way, to your heart

Send me a wise man, or book about love
My breath has been taken, I've been shaken
You keep me waiting at the edge of the world
On a rocky shore line, like the whim of the wild
Oh, what can I do now? I want you now
You've got me lookin' through the eyes of a child

I don't know what to say or do
All I know is I need you
Like a desert needs the rain in May

Won't somebody show me the way?
Please, show me the way, to your heart

Send me a wise man, or book about love
My breath has been taken, I've been shaken
You keep me waiting at the edge of the world
On a rocky shore line, like the whim of the wild
Oh what can I do now? I want you now
You've got me lookin' through the eyes of a child

Got me lookin', got me lookin'
Lookin' through the eyes of a child
Yes you do, you know you do now

Won't somebody show me the way?
Please, show me the way, to your heart

Send me a wise man or book about love
My breath has been taken, I've been shaken
You keep me waiting at the edge of the world

On a rocky shore line, like the whim, like the whim of
the wild
Oh what can I do now? I want you now
You've got me lookin' through the eyes of a child

Got me lookin', got me lookin'
Send me a wise man or book about love
My breath has been taken, I've been shaken
You keep me waiting at the edge of the world
On a rocky shore line, ohh, like the whim, like the whim
of the wild
Oh what can I do now? I want you now
