I don't wanna work today,
Maybe I just wanna stay,
Just take it easy cause there's no stress.

I know it's not an other crime,
Something pleasure in my mind,
Nothing can cause me destressed.

I taxe my baby on her phone,
How to get her sexy body on?
That's the way I wanna spend my day.

Got to find another "bide",
Cause I don't wanna waist my time
I don't feel destressed.

It's the kind of "maizing"
I think I'm just crazy

No need to fight against the feelings,
Beaucause the laught in not depressing.
No stress.

I don't wanna work today.
