IÂ...I have no god and no religion And IÂ...I just believe in television, hm hm IÂ...can see the world with no affliction, hey hey So everybody got to feel this Shining of my hand IÂ...I dream about a life at your side Climbing at your door when youÂ're shy My nipples have that attraction (bon la je suis pas sure,  $\tilde{A}f\hat{A}$  a me parait un peu bizarre  $\hat{A}$ 

IÂ....IÂ...am on this jean one last, When the world was made, she says EverybodyÂ's got to hear this Go and hold my hand, HeÂ's gonna save me, heÂ's gonna save me WhoÂ's gonna hear this call, And make me feel this world in pink and blue? WhoÂ's gonna save me, whoÂ's gonna save me WhoÂ's gonna make me feel this world in pink and blue And what you say and everything is alright

And everything is fight, fight, fight And everything is right !
