[Verse 1:]

How can I fade  
From the Hell I hate  
Please tell me  
Where could I stay  
To be somewhere safe  
Far away

At the ocean I cry  
Dreaming of my flight  
And new life  
I would go past  
Mountains and the lands  
To find my peace

[Chorus 1:]

And I am flying cross the sky  
Only clouds go by  
And the dreamers are cryin'  
I close my eyes and smile

[Verse 2:]

Tears from my heart  
Can't get enough  
I'm bleeding  
Anywhere I go  
I feel so low  
I am done

After all this haze  
I will find my place  
Where I can't stray  
I've been trying to forget  
All those people I've left  
'Cos they're my threat

[Chorus 1]

[Interlude/solo]

[Chorus 1]

[Chorus 2:]  
And my tears  
Are the blood from my heart  
And they blend to sea  
Water comes to take me away  
I am gone  
I am gone  
I am gone  
I am gone  
I am gone
