I was thinking the other day  
What if cartoons got saved?  
They'd start singing praise  
In a whole new way

Yea, I was thinking the other day  
What if cartoons got saved?  
They'd start singing praise  
In a whole new way

Fred and Wilma Flintstone sing  
ya-ba-daba-lujah

Scooby-do and Shaggy  
scooby-do-be-lujah

And the Jetson's dog named Astro  
ra-ra-ru-jah

CHORUS

Teenage Mutant Ninja Turtles  
cowabunga-lujah, dude

Then there's Kermit the Frog here,  
singing hi-ho-la-lujah

And that little bald guy, Elmer Fudd  
hallelujah, uh

CHORUS

Oh that big ol' Moose and his friend Rocky,  
ba-ya-ca-bujah

And our favorite bear named Yogi,  
hi-a-baa-lujah

And There's all those little blue guys  
And they'd sing..  
la-la-lalalala-lalala-lujah

Oh, how 'bout Beavis, and that other guy  
\*beep\*

#### CHORUS

Now there's a point to this looney tune  
I'm not an animaniac, but there's a lot of praising to do  
And cartoons weren't made for that,  
It's our job. Oh, yeah

So let's sing hallelujah (hallelujah)  
hallelujah (hallelujah)  
hallelujah (hallelujah)

Let's sing hallelujah... (Let's sing hallelujah)  
hallelujah (hallelujah)
