Rain keeps pouring down houses are cracking . people
drown. cars are rusting here. a church floats by washed
in the blood of the lamb. and all the superhighways
have disappeared one by one. and a
E towns and cities and signs are underwater now.
they're gone. we're going down my the muddy river
we're walking down by the muddy river somebody tell
me please: what happened here? mud is every
. fish are swimming in the fields. everybody's running
arund, they're yelling is this the end of the known
world? men and women in their boats try to save what
they've lost. they're yelling, it'
Gone now. we're never gonna find it again. but when
the muddy river starts to rise it covers us all. and when
I look into your eyes two tiny clocks two crystal balls we
begin again. we try we b

Again. down by we're going down by down by the
muddy river. we begin again down by the muddy river
we're walking down by down by the muddy river. we're
going down by down by the muddy river.
