And oh it's so beautiful it's like the fourth of july it's like  
a christmas tree it's like fireflies on a summer night.  
and I wish I could describe this to you a little better. but  
I can't talk

Well right now cause I've got this damned gas mask  
on. so I'm just going to stick this microphone out the  
window and see if we can hear a little better. hello  
california? what's the weather like

There now? and I only have one question: did you  
every really love me? only when we danced. and it was  
so beautiful. it was like the fourth of july. it was like  
fireflies on a summer night.
