The toys are at the toy museum
Where all the girls and boys can see 'em
The toys are at the toy museum
We're going to play with the toys

Bats and birds and airplanes too
We'll fly through the air just the way that they do
All the way to the toy museum
We're going to play with the toys

Toys toys toys, for the girls and boys
Start to make some noise

The toys are at the toy museum
Where all the girls and boys can see 'em
The toys are at the toy museum
We're going to play with the toys

Three-legged creatures and crocodiles too
We'll crawl around just the way that they do
All the way to the toy museum

We're going to play with the toys

Toys toys toys, for the girls and boys
Start to make some noise

The toys are at the toy museum
Where all the girls and boys can see 'em
The toys are at the toy museum
We're going to play with the toys

Zebras and horses and children too
We'll gallop and skip just the way that they do
All the way to the toy museum
We're going to play with the toys

Toys toys toys, for the girls and boys
Start to make some...

Attention everyone, it's five o'clock and the toy

Museum is now closed.

Thank you for coming, it's time to go home.
