Pretty girl on the hood of a cadillac, yeah
She's broken down on the freeway nine, ahh
Take a look and her engine started
Leave a peer and I roll on by, by by

Free love on the freelove freeway
The love is free and the freeway's long
I got some hot love on the hotlove highway
I'm going home 'cause my baby's gone
(She's dead) She's not dead

Long time they've seen
I cowboy crying
I said, hey buddy what can I do
He says. I lived a good life and had a thousand women
Then I said, why the tears
He says, 'cause none of them was you

(Of you?
No, he's looking at a photograph
Of you?
No, of his girlfriend
It sounds a bit gay
It's not gay)

Free love on the freelove freeway
The love is free and the freeway's long
I got some, hot love on the hotlove highway
Going home 'cause my baby's gone (hey hey hey)
She's gone

Free love on the freelove freeway (she's gone)
The love is free and the freeway's long
I got some hot love in the hotlove highway
Going home 'cause my baby's gone
She's gone (yeah, my baby is gone)
She's gone, she's gone, she's gone away
She's gone (aah)

Alright that's lunch
