I'm a little sneak I hide and seek
Behind the closet door
I'm a little sneak I like to creep
Across the bathroom floor
I'm a little sneak I'm peeking out
From underneath the bed
I'm a little sneak I'm hiding
With the sheets over my head

But when I come out it's time to say it
Two sneaks are more fun to play with
And when I come out it's time to say it
Three sneaks are more fun to play with
And when I come out it's time to say it
Four sneaks are more fun to play with

La di da di da da
La di da di da da
La di da di da da

I'm a little sneak you'll never know

The places that I hide
I might behind a tree
But you won't look outside
I'm a little sneak I'm small enough to fit into tight
Spaces
I'm a little sneak and I know
All the sneaky hiding places

When I come out it's time to say it
Two sneaks are more fun to play with
And when I come out it's time to say it
Three sneaks are more fun to play with
And when I come out it's time to say it
Four sneaks are more fun to play with

La di da di da da
La di da di da da
La di da di da da
La da di da
