In the middle of the night
I tried to cry myself to sleep
But I can't even close my eyes
Just thinking 'bout you
'Cause I wanna be there
Always there
And I
chorus
Can't let go
Deep inside
I wanna let it show
'Cause I know
I gotta let you go
But I don't even know
Don't wanna know what I'd do
If I were ever without you
Been denying it
Avoiding it for a while
But I can't hide it
The fact we need to be apart
I want so much to be with you
What am I supposed to do
When I love you
I
chorus
Shoop do do do
Shoop do do do do do do
Shoop do shoo do
Shoop do do do
Shoop do do do do do do
Shoop do do do
Shoop do do do do do do
(Baby, won't you help me say
I always though this would be
The perfect kind of love for me
But now I know
It's plain to see
That things won't work out just for me
But I need to know
Please let me know
If you're gonna be all right
'Cause I love you
