In the middle of the night,
I tried to cry myself to sleep but I,
Can't even close my eyes,
Just thinkin bout you,
What would i do without you?
Cause i wanna be there,
Always there, and

chorus
i, can't let go
Deep inside i wanna let it show,
Cuz i know i gotta let you go,
but i, don't even know,
don't wanna know what i'd do,
if i were ever without you,

bending lies,
avoiding it for a while,
but i, i can't hide it,
the fact we need to be apart,
i want so much to be with you,
what am i, supposed to do?
when i looOOove you!

chorus
i, can't let go
Deep inside i wanna let it show,
gotta let you go,
but i, don't even know,
don't wanna know what i'd do,
if i were ever without you,

chorus:
i can't let go[i can't let go, no no],
wanna let it show [i wanna let it show]
gotta let you go [go]
but i don't even know,
don't wanna know what i'd do,
if i were ever without you,

shum dum dum no
shum dum dum no

shum dum dum no
shum dum dum no

baby won't you help me say,
i always thought,
this would be a perfect kind of love for me,
but now i know it's plain to see,
things will work out just for me,
but i need to know,
please let me know,
if you're gonna be alright,[if you're gonna be alright]
cuz i luhve you!, yea.

chorus:
i can't let go[i can't let go, no no],
wanna let it show [i've got to let it show, yea, yea, yea]
gotta let you go [oh no]
but i don't even know, [but i don't, know know know]
don't wanna know what i'd do,[ooohhhh]
if i were ever without you, [baby]

chorus:
i can't let go[i can't let go, i can't let go],
wanna let it show [oh honey, don't you see the tears in
my eyes?]
gotta let you go [i've been crying]
but i don't even know,
don't wanna know what i'd do,
if i were ever without you,
