I simply remember all these kinds of things  
And then I don't fear so bad...

Black rage is founded who fed us self hatred  
Lies and abuse while we waited and waited  
Spiritual treason  
This grid and it's cages  
Black rage was founded on these kinds of things

Black rage is founded on dreaming and draining  
Threatening your freedom  
To stop your complaining  
Poisoning your water  
While they say it's raining  
Then call you mad  
For complaining, complaining  
Old time bureaucracy  
Drugging the youth  
Black rage is founded on blocking the truth  
Murder and crime  
Compromise and distortion  
Sacrifice, sacrifice  
Who makes this fortune?  
Greed, falsely called progress  
Such human contortion  
Black rage is founded on these kinds of things

So when the dog bites  
And the ceilings  
And I'm feeling mad  
I simply remember all these kinds of things  
And then I don't fear so bad

Free enterprise  
Is it myth or illusion  
Forcing you back into purposed confusion  
Black human trafficking  
Or blood transfusion  
Black rage is founded on these kinds of things  
Victims of violence  
Both psyche and body

Life out of context IS living ungodly  
Politics, politics  
Greed falsely called wealth  
Black rage is founded on denying of self  
Black human packages  
Tied and subsistence  
Having to justify your very existence  
Try if you must  
But you can't have my soul  
Black rage is founded on ungodly control  
So when the dog bites  
And the beatings  
And I'm feeling so sad  
I simply remember all these kinds of things  
And then I don't feel so bad
