Mama I just killed a man
Put a gun against his head
Pulled my trigger now he's dead
Mama, life had just begun
And now I've gone and thrown it all away
Mama, ooo, I didn't mean to make you cry
If I'm not back again this time tomorrow
Ooh Carry on,
nothing really matters

Too late, my time has come
sent shivers down my spine
bodies aching all the time
goodbye everybody ive got to go
Gotta leave you all behind and face the truth

Mama, ooo, I dont wanna die
I sometimes wish ive never been born at all
ohh, carry on, nothing really matters

I didnt mean to make u cry
if im not back again this time tomorrow
ohh, carry on, nothing really matters
no I dont wanna die
I sometimes wish i've never been born at all
ohh, carry on, nothing really matters

So you think you can stop and spit in my eye
So you think love me and leave me to die
Oh Baby
Can't do this, baby
Just gotta get right out of here
Oh Baby
Can't do this, baby
Just gotta get right out of here

Ohhh Carry on, nothing really matter
sometimes I wish ive never been born at all
Ohhh Carry on nothing really matter
Nothing really matters
Anyone can see

Nothing really matters
To Me...

Anyway the wind blows
