I gotta find peace of mind... I gotta find peace of mind

He says it's impossible... But I know it's possible  
He says it's impossible... But I know it's possible

He says there's no me without him... Please help me  
forget about him  
He takes all my energy... Trapped in my memory  
Constantly holding me... Constantly holding me

I need to tell you all... All the pain he's caused  
Mmmmm  
I need to tell you I'm... I'm undone because  
Mmmmm

He says it's impossible... But I know it's possible  
He says it's impossible without him... But I know it's  
possible  
To finally be in love... And know the real meaning of  
A lasting relationship... Not based on ownership  
I trust every part of u.... Cause all that you say you do  
You love me despite myself Sometimes I...  
I fight myself I just can't believe that you.... Would have  
anything to do  
With someone so insecure... Someone so immature  
Ohh you inspire me, to be the higher me

You make my desire pure... You make my desire pure  
Just tell me what to say... I can't find the words to say  
Please don't be mad with me... I have no identity  
All that I've known is gone... All I was building on  
I wanna walk wit you, how do I talk to you?

Touch my mouth with your hands... Touch my mouth  
with your hands

Oh I wanna understand the meaning of your embrace  
I know now I have to face... The temptations of my past  
Please don't let me disgrace... will my devotion last  
Now that I know the truth... Now that it's no excuse  
Keeping me from your love... What was I thinking of?  
Holding me from your love... What was I thinking of?

You are my peace of mind... That old me is left behind  
You are my peace of mind... That old me is left behind

He says it's impossible... but I know it's possible  
He says it's improbable... but I know it's tangible  
He says it's not grab able... but I know it's have able  
Cause anything's possible... Cause anything is possible

Please come free my mind... Please come feed my  
mind  
Can you see my mind ohh... Won't you come free my  
mind?  
Oh I know it's possible

Anything, anything, anything, anything, anything....  
Yeah  
Anything, anything, anything, anything,.... Yeah  
Anything, anything, anything, anything, anything....  
Yeah

Oh, free... free, free, free your mind  
Free... free your mind  
Free... free your mind  
Free free free free your mind  
Oh, it's so possible... Oh, it's so possible  
I'm telling you it's possible... I'm telling you it's possible

Free, free, free... free, get free now (repeat)

You are my peace of mind... That old me is left behind  
You are my peace of mind... You're my peace of mind  
He's my peace of mind... He's my peace of mind  
He's my peace of mind... What a joy it is to be alive  
To get another chance, yeah... Every day's another  
chance  
To get it right this time... every day's another chance

Oh what a merciful... merciful, merciful God  
Oh what a wonderful... wonderful wonderful God  
(continue to end)  
What a merciful... merciful, merciful, merciful God  
What a wonderful, wonderful, wonderful, merciful  
Merciful, merciful, wonderful  
Merciful, wonderful...
