I gotta find peace of mind, "I know you are never goin'  
to"

I gotta find peace of mind  
See, this is what that voice in your head says  
When you try to get peace of mind  
I gotta find peace of mind, I gotta find peace of mind

He says it's impossible  
But I know it's possible  
He says it's impossible  
But I know it's possible

He says there's no me without him, please help me  
forget about him  
He takes all my energy, trapped in my memory  
Constantly holdin' me, constantly holdin' me  
I need to tell you all, all the pain he's caused  
I need to tell you I'm, I'm undone because

He says it's impossible  
But I know it's possible  
He says it's impossible without him  
But I know it's possible

To finally be in love and know the real meaning of  
A lasting relationship, not based on ownership  
I trust every part of you 'cause all that I  
All that you say you do, you love me despite myself

Sometimes I, I fight myself  
I just can't believe that you  
Would have anything to do  
With someone so insecure  
Someone so immature

Oh, you inspire me to be the higher me  
You make my desire pure, you make my desire pure  
Just tell me what to say, I can't find the words to say  
Please don't be mad with me, I have no identity

All that I've known is gone, all I was buildin' on  
I wanna walk with you, how do I talk to you?

Touch my mouth with your hands, touch my mouth with  
your hands  
Oh, I wanna understand the meaning of your embrace  
I know now I have to face the temptations of my past

Please don't let me disgrace, will my devotion last?  
Now that I know the truth, now that it's no excuse  
Keeping me from your love, what was I thinkin' of  
Holdin' me from ya love, what was I thinkin' of

You are my peace of mind  
That old me is left behind  
You are my peace of mind  
That old me is left behind there

He says it's impossible  
But I know it's possible  
He says it's improbable  
But I know it's tangible

He says it's not grabable  
But I know it's havable  
'Coz anything's possible  
Oh, anything is possible

Please come free my mind  
Please come free my mind  
Can you see my mind, oh  
Won't you come free my mind?  
Oh, I know it's possible

Anything, anything, anything, anything, anything, yeah  
Anything, anything, anything, anything, yeah  
Anything, anything, anything, anything, anything, yeah

Oh, free, free, free, free your mind  
Free, free your mind  
Free, free your mind  
Free, free, free, free your mind

Oh, it's so possible  
Oh, it's so possible  
I'm telling you it's possible  
I'm telling you it's possible

Free, free, free, free  
Free, free, get free now  
Free, free, free, free  
Free, free, free, free

You are my peace of mind

That old me is left behind  
You are my peace of mind  
You are my peace of mind

He's my peace of mind  
He's my peace of mind  
He's my peace of mind  
What a joy it is to be alive

To get another chance, yeah  
Every day's another chance  
They get it right this time  
Every day's another chance

Oh, what a merciful, merciful, merciful God  
What a wonderful, wonderful, wonderful God  
What a merciful, merciful, merciful, merciful, merciful  
What a wonderful, wonderful, wonderful, merciful  
Merciful, merciful, wonderful, merciful, wonderful,  
yeah
