As I look at what I've done  
The type of life that I've lived  
How many things I pray the father will forgive  
One situation involved a young man  
He was the ocean and I was the sand  
He stole my heart like a thief in the night  
Dulled my senses blurred my sight  
I used to love him but now I don't  
I used to love him but now I don't  
I chose a road of passion and pain  
Sacrificed too much and waited in vain  
Gave up my power ceased being queen  
Addicted to love like the drug of a fiend  
Torn and confused wasted and used  
Reached the crossroad which path would I choose  
Stuck and frustrated I waited, debated  
For something to happen that just wasn't fated  
Thought what I wanted was something I needed  
When momma said no I just should have heeded  
Misled I bled till the poison was gone  
And out of the darkness arrived the sweet dawn

I used to love him but now I don't  
I used to love him but now I don't  
Father you saved me and showed me that life  
Was much more than being some foolish man's wife  
Showed me that love was respect and devotion  
Greater than planets deeper than oceans  
My soul was weary but now it's replenished  
Content because that part of my life is finished  
I see him sometimes and the look in his eye  
Is one of a man who's lost treasures untold  
But my heart is gold I took back my soul  
And totally let my creator control  
The life which was his to begin with  
I used to love him but now I don't  
[Repeat to end
