What becomes of little boys  
Who dreams are larger than life has ever shown them  
they should be  
What becomes of little boys  
Whose goals are bigger than anything in there reality  
What happens to young men  
Disappointed once again when they find out there not  
suppose to grow  
Do their lives become a lie  
Should they wither up and die  
When they find out they deserve more than they know

And it's hard to be confused  
When you find out you been used as a sacrifice for  
other peoples gain  
And no matter what they say it's the same thing  
everyday  
And no one seems concerned about your pain

What becomes of little boys  
Who make a little too much noise  
When their dreams have flown way beyond the clouds  
Would you rather see them silent  
Or would you rather see them violent  
Cause they never had a reason to be proud

What becomes of little boys  
What becomes of little boys  
What becomes of little boys  
What becomes of little boys

Yeah... yeah ... yeah...yeah ... yeah...yeah...  
yeah..  
Young men...young men...young man...young men  
Yeah... yeah ... yeah.... yeah...yeah...yeah...  
yeah..

Rap:  
True that there  
Your the one that hide scare  
We got wonders here  
Yall run this here

Yall run this here  
They done this here  
They done this here  
Cant nobody turn this here  
Learn this year  
To whom it will concern this year  
We firm this year  
That's why you can't burn this here
