Your just too good to be true
Can't take my eyes off of you
You'd be like heaven to touch
I want to hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you.

Pardon the way that I stare
There's nothing else to compare
The site of you leaves me weak
There are no words left to speak
But if you feel like I feel
Please let me know that it's real
Your just too good to be true
Can't take my eyes off of you.

I need you baby and if it's quite alright
I need you baby to warm the lonely nights
I love you baby trust in me when I say, oh yay
Oh pretty baby don't let me down I pray
Oh pretty baby now that i found you stay
And let me love you love you oh baby.

Your just too good to be true

Can't take my eyes off of you
You'd be like heaven to touch
I want to hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you.

I need you baby and if it's quite alright
I need you baby to warm the lonely nights
I love you baby trust in me when I say, it's ok
Oh pretty baby don't let me down I pray
Oh pretty baby now that I found you stay
And let me love you oh baby let me love you oh baby.

I need you baby and if it's quite alright
I love you baby you warm the lonely nights
I need you baby trust in me when I say it's ok
Oh oh pretty baby don't let me down I pray
Oh pretty baby now that i found you stay
And let me love you...
