YouÂ're everything I want and more  
Oh I adore your mystery  
Since I found a new love  
Since I found a new love  
I canÂ't complain no more  
ThatÂ's how its supposed to be  
IÂ'm not in pain no more Â... yeah  
Cause heÂ's so close to me  
It doesnÂ't matter what they say  
IÂ'll be a fool for you  
But is it possible to say?  
Oh if they canÂ't be cool with you

Since I found a new love  
Since I found a new love

I donÂ't get it wrong at all  
IÂ'm in no empty conversations  
I canÂ't be strong at all  
Oh with that vain imagination  
Oh I wonÂ't even tolerate  
None of their insane expectations  
What youÂ've given me already  
Oh has me free from obligation Â... hey Â... hey

Since I found a new love  
Since I found a new love

See it donÂ't bother me at all  
because IÂ'm free from obligation  
Oh I donÂ't even entertain  
None of their insane expectations  
See what youÂ've given me already  
Oh its enough to satisfy  
See youÂ've forgiven me for getting  
All of the pride I had inside  
See now our living can begin  
Because all thatÂ's been left behind  
See now our living can begin  
Because that chance has left and I .. I .. I  
And now I just belong to you  
ThereÂ's no one else to satisfy

Oh baby Iâ€™ll be strong for you  
Until they come to realize Â… realize Â… realize that

Since I found a new love  
Since I found a new love  
Since I found a new love  
Since I found a new love

I have no fear at all  
No fear at all  
I have no fear at all  
No fear at all  
I have no Â… fear at all  
I have no Â… fear at all  
I have no fear Â… at all  
I have no fear Â… at all
