(with Bob Marley)

[Bob Marley]

(Lauryn - Uh)

Turn your lights down low

And-a pull your window curtain

Oh let Jah moon come shining in

Into our life again

Saying ooh, it's been a long, long time (Lauryn - Long,  
long time)

I kept this message for you, girl

But it seem I was never on time

still I wanna get through to you, girl?

On time, on time (Lauryn - What)

I want to give you some love

I want to give you some good, good loving (Lauryn -

Mm, mm mm)

Oh I, oh I, oh I (Lauryn - Yeah)

I want to give you some good, good loving (Lauryn -  
Mm)

[Lauryn Hill]

Turn your lights down low (Word, word word)

Never ever try to resist, oh no (No, no, no)

Oh let your love come shining in (No, no, no)

Into our lives again (No, no, no)

Saying: ooh, I love you (I love you, I love you)

And I want you to know right now (Know right now)

Ooh I love you (Uh uh, yeah, uh uh)

And I want you to know right now (Mm)

That I (No, no, no)

That I (No, no, no)

I wanna give you some love (Mm, uh, yeah, uh)

I wanna give you some good, good loving (Good,  
good)

Oh I, oh I, oh I (Mm, mm mm, mm)

I wanna give you some good, good loving

Yeah, uh uh

Loving you (Loving you) is a like a song I replay (Baby,  
is so beautiful)

Every three minutes and thirty seconds of every day

(Uh)  
And every chorus (Uh) was written for us to recite  
(Right)  
Every beautiful melody of devotion every night  
This potion might, (Uh) this ocean might (Uh) carry me  
(Uh)  
In a wave of emotion to ask you to marry me  
And every word, every second, and every third  
Expresses the happiness more clearly than ever heard  
(Uh)  
And when I play 'em, every chord is a poem  
Telling the Lord how grateful I am because I know him  
The harmonies (Word) possess a sensation similar to  
your caress (Uh)

If you asking then I'm telling you it's yes (Yes, yes)  
Stand in love, take my hand and love Jah bless  
Right, right

[Bob]  
(Lauryn - Jah bless, uh)  
I want to give you some good, good loving (Lauryn -  
Yeah, uh uh)  
Turn your lights down low (Lauryn- Right, right now)  
And-a pull your window curtains

[Lauryn]  
(I said right, right now)  
And let Jah love come tumbling in (Right, right now)  
Into our lives again (Uh, uh said right, right now)

[Bob]  
Sayin' (Lauryn - Ooh) ooh  
It's been a long, long time

[Lauryn]  
(Yeah, yeah)  
I got this message for you, boy (Ha ha, ha ha, ha)

[Bob]  
But it seems I was never on time

[Lauryn]  
Still I wanna get through to you, boy (Uh, yeah)

[Bob and Lauryn]  
On time (Lauryn - Right, right now)  
On time (Lauryn - Said right, right now, uh)  
I want to give you some love (Lauryn - What, what,  
yeah. What, what)  
(Bob - Oh, oh I)

I want to give you some good, good loving (Lauryn -  
Can you hear me, uh)  
Oh I, oh I (Lauryn - Uh), oh I (Lauryn - Uh, yo it's  
like)  
I wanna give you some good, good loving (Lauryn - Yo,  
yo it's like)

[Lauryn]  
Good, some good, good, good, good, good, good

[Bob]  
I want to give you some good, good loving

[Lauryn]  
Good, good  
Oh I, oh I (Uh, yeah yeah right, right now)  
I wanna give you some good, good lovin' (Yo yo, uh,

I wanna, I wanna  
I wanna (Oh), I wanna, I wanna, I wanna, I wanna  
Oh oh, oh oh, oh oh (Uh, uh, yeah)  
Yeah (Yeah, what, what)  
(Feels so good to me) Please don't forget passionate  
Babies in the bassinet  
You call, we be ready (Feels so good to me)  
Ha ha, Ma steady
