Verse 1 -

I am sorry for the way that I've been treating you
You've been so good to me and I have been so cruel to
you
I know I'm not the person you expected me to be
My baby I still care for you
Baby I still want a life with you, that's true
Only to you can I be faithful

Verse 2 -

I know this pain I caused you baby hurt you deep inside
I only wish that I could find the words to ease your
crying
I've got some major fear like you are losing love for me
Precious baby I am real
And only you can help me change the way I think
Only to you can I be faithful

Chorus -

So I say sorry I hope that you can understand
And I say sorry I promise you from now I'll change
I just want you to know that I care

Verse 3 -

I'm looking forward to a time when I'll be down on one
knee
Looking at you so beautiful I'm saying will you marry
me?
I see a tear drop from your eye and there's a smile on
your face
Does this mean that your answers yes
I wanna spend my life with you, and you are soo
blessed
Only to you can I be faithful

Chorus x 2
