My brother sing, Yeaahhhh yeahhhh yeahhhh

Verse 1 -

Many people think that playing's alright
Let me tell you it's not, your playing with something
that's hot, stop
Love is something that you shouldn't mess with
Cos one day you'll wake up and you've missed a spot in
heaven
Learn to be responsible for your life, sit down and face
this way
There's something we wanna say

Chorus -x2

Change your ways, my brothers can u help me say
Change your ways yeahhhh make the future a
brighter day
(For the next) For the next generation is on it's way
yeahhh

Verse 2 -

Don't be dissing family; they love you
And if u feel they don't there's someone else to turn to
There were times when you will feel the pressure
Stop thinking keep your cool, your someone who's
better
Drop the gun, don't kill yourself, your someone
Take a look at me and Nainz, we'll tell u we love you

Chorus x 2

Yeahhh yeaahh yeahh.....ect.
Chorus out....
