If everything comes down to love
Then just what am I afraid of
When I call out Your name
Something inside awakes in my soul
How quickly I forget I'm Yours

(PRE-CHORUS)

I'm not my own
I've been carried by You
All my life

(CHORUS)

Everything rides on hope now
Everything rides on faith somehow
When the world has broken me down
This love sets me free

When my life is like a storm
Rising waters all I want is the shore
You say I'll be ok and
Make it through the rain
You are my shelter from the storm

(PRE-CHORUS)

I'm not my own
I've been carried by You
All my life

(CHORUS)

Everything rides on hope now
Everything rides on faith somehow
When the world has broken me down
This love sets me free

(CHORUS 2)

Everything rides on hope now
Everything rides on faith somehow
When the world has broken me down
Your love sets me free
You define my heart's desires
I will sing Your praises higher
Cause Your love sets me free

Your love sets me free
Your love sets me free
