\*Chorus

Never in my life have I wanted anyone  
As much as you my love is true  
And I will give up everything in my life  
So you can stay with me (yeaheee)

Never in my life have I wanted anyone  
As much as you my love is true  
And I will give up everything in my life  
So you can stay with me (yeaheee)

Verse 1

Everything we do together  
I'm gonna cherish in my heart 'coz I love you and I said  
so  
I made a promise to myself  
That I'll never let you go  
And I promise I will never hurt you  
Always try to be the one who's right  
But in the end you were right and I was wrong  
'Coz girl I'm gonna miss you 'coz deep inside I really  
love you

\*Chorus

Verse 2

I've always tried my best to be there for you  
In your times of need when you was crying all alone girl  
It breaks my heart when I see you cry  
Catching all the tear drops from your eye  
A lovers guide to perfection  
All you have to do is open up and just take your time  
But still I'm gonna miss you 'coz deep inside I really  
love you

\*Chorus

Bridge

I'm gonna miss you  
I'm gonna miss you  
Say

I'm gonna miss you  
I'm gonna miss you  
Say

\*Chorus

Never in my life have I wanted anyone  
As much as you  
And I will give up everything in my life  
So you could stay with me (yeaheee)

Never in my life have I wanted anyone  
As much as you  
And I will give up everything in my life  
So you could stay with me (yeaheee)

\*Chorus (Fade Out)
