Your broken dreams, your crazy schemes  
They always let you down  
The things we chase, a hopeless race  
You're breathless on the ground  
From soaring heights to crashing dives  
A peace yet to be found  
But you could spend a lifetime running  
You could spend a lifetime running

Chorus:

And do you feel the fire when the flame gets hot  
Are you living every day like it's the last you got  
Will you step aside when it all falls down and watch it  
burn away  
Have a little faith when walls cave in  
Pray for strength to fly against the wind  
Will you walk away when the fire gets hot  
Or fight another  
Another day

Your fractured heart, your disregard  
It leaves you frozen still

A slow withdrawal from it all  
That keeps you unfulfilled  
Will you spend a lifetime running  
'Cause you could spend a lifetime running

Chorus:

And do you feel the fire when the flame gets hot  
Are you living every day like it's the last you got  
Will you step aside when it all falls down and watch it  
burn away  
Have a little faith when walls cave in  
Pray for strength to fly against the wind  
Will you walk away when the fire gets hot  
Or fight another  
Another day

Even when your hearts been broken  
He'll be there with arms wide open  
Be strong and his love will lead you

To fight another day

Keep your head to the sun 'cause it's shining on you, on  
you
