Going on my way
Packing up today
I can't live a life
With this way of thinking

Cause I know what's right
I'm gonna leave tonight
And put all the past behind me

Show me life
Bigger than I known
I wanna feel more than life
Show me love
Beautiful and true
Change the old to new inside
Show me life

Can I fall apart
Right into Your arms
Open my eyes to the road that leads beyond my heart

Show me life
Bigger than I known
I wanna feel more than life
Show me love
Beautiful and true
Change the old to new inside
Show me life
Show me life

Going on my way
Packing up today
Can I fall apart
And let go in Your arms

Show me life
Bigger than I known
I wanna feel more than life
Show me love
Beautiful and true
Change the old to new inside

Show me life
Bigger than I know
I wanna feel more than life
Show me love
Beautiful and true
Change the old to new inside
Show me life
Show me life
