I'm gonna have to put you down  
You been treating me like a clown  
You know you've hurt me once before  
You'll never hurt me anymore

(CHORUS)

Shoo-ee, you hurt me like a bee  
A bumble bee, a evil bumble bee

I gave you love as sweet as honey  
My life, my soul and all my money  
You didn't seem to realize  
You had a home in paradise

(CHORUS)

Don't you know I cry  
Night after night  
Just one kiss before you go  
Don't ever come back no more

Now, baby, there's no need of crying  
I'm sick and tired of your lying  
You know you've hurt my heart again  
I'm sorry, baby, it's the end

(CHORUS)

Now, baby, there's no need of crying  
I'm sick and tired of your lying  
You know you've hurt my heart again  
I'm sorry, baby, it's the end

(CHORUS)
