Oh, how I love him  
But sometimes  
I just can't find the words  
In other words, hold my hand  
In other words, baby  
Just come on and kiss me  
Fill my heart with song  
And let me sing forever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, I want you  
To know that I love you  
In other words, please be true  
I said, in other words, I love you  
In other words, I love you
