I'm missing your love.
I'm missing your love, love.
I knew I was wrong and now you're gone.
I been missing you for so long.

I need you here, here with me.
My body calls for you so desperately.
And now when I see you.
You stop and say hi!

Keep on walking and I start to cry.
Please don't put me through this pain.
If you come back to me.
I'll promise, I'll change.

(CHORUS)

I'm missing your love.
I knew I was wrong.
I'm missing your love.
That's why I sing you this song.

I'm missing your love.
I don't know what to do.
You know I'm still in love with you.
I'm missing your love.

I'm missing your love.
My friends tell me to quit playing these games.
But still in my dreams you are calling my name.
I tell you I love you and you wonder why?

Why did I hurt you so many times.
And now when I'm awake and your not by my side.
I hug my pillow and I start to cry.
I'm hoping that someday you'll come back to me.
Until then I'll be waiting so faithfully.

(REPEAT CHORUS 2X)

I'm missing your love do you remember.

Just give me one more chance girl.
I'm missing your love.
Ooh your love.

I'm missing your love.
I knew I was wrong.
Missing your love.
That's why I sing you this song.

Missing our romance.
Just give me one more chance.
I'm missing your love do you remember.
Just give me one more chance.
I'm missing your love
