I waited too long
And now we're apart
I never told you
What I feel in my heart

Somebody new
Has come along
I was a fool
For waiting too long

My life without you
Won't be the same
I should have never
Played that waiting game

I'm so alone
Now that you're gone
I was a fool
For waiting too long

I wasn't smart
I wasn't wise
And now I'm by myself
With tears in my eyes

I made my life
A life of regret
I should have never
Played hard to get

And now I know
I was so wrong
I was a fool
For waiting too long

I was a fool
For waiting too long
Too long
