As I sit and wonder
Amazed by sky and sea
This pressure let me under
And what came over me

The best of my love I was giving
We were living like king and queen
Days went by and seemed to
Change everything

Give you the best of my love
The best that I can do, yeah
I wanna give you the best of my love
That's all that I can do, yeah

The best of my love I wanna give you
Maybe someday you can see
Love just come over you
The way it came over me

Use your imagination
Leave trouble far behind
Use your imagination
Paint pictures with your mind, yeah

Give you the best of my love
The best that I can do, baby
Yes, I wanna give you the best of my love
Givin' it all to you, yeah yeah

Fly on

Give you the best of my love
The best that I can do, baby baby
Oh, I wanna give you the best of my love
Best of my love, baby, baby, baby, baby
Baby, baby, baby, yeah, best of my love

Give you the best of my love
Givin' it all to you, oh baby
Don't you know I wanna give you the best of my love,
baby

Best of my love

Give you the best of my love

Don't you know I wanna give you the best of my love,
baby

Give you the best of my love

Best of my love, baby

Give you the best of my love

Best of my love
