Standing in the shadows  
Stranger dressed in black  
One time desperado  
Better watch your back

Hands that look like lightning  
To the roaring of the gun  
The shadow can be frightening  
To the killer on the run

Laying down the law  
That's what this badge is for  
Keeper of the peace  
Ooh, the keeper of the peace, yeah  
The tamer of the beast

Ain't no man no righteous  
In the [Incomprehensible]  
Standing for a one man cause  
Righteously reward

Laying down the law  
That's what this gun is for, yeah  
Keeper of the peace, yeah  
The keeper of the peace  
Tamer of the beast, yeah

Put your gun down slowly  
On the edge of town  
Leave it there softly  
Have to gun you down

Laying down the law  
That's what this gun and badge is for  
Keeper of the peace  
The keeper of the peace  
Tamer of the beast, yeah  
Yeah, yeah, yeah, yeah

Keeper of the peace, yeah  
The tamer of the beast
