See, this what we gonna do y'all  
We cappin 2 double 0 2 y'all  
R Kelly got caught whylin  
He sold more sex videos then he did albums  
A lot of y'all went down, fam  
Yall did some dumb stuff for SoundScan  
The industry did Micheal Jackson greasy  
Brandy wasnt sellin so she put her pregnancy on TV  
Cash Money refused to flock  
Baby said F it, I'm takin Juvenile spot  
Christina Ag, she turned into a slut-piece  
For her record to sell, she let out all of her buttcheeks  
Rap girls, take a lesson from that  
Cuz no one remembers the girl that made "My Neck,  
My Back"  
And Hip-Hop was at it again  
Suge came home, and Slick Rick went back in  
Man y'all took it to the streets again  
But this year, a lot of y'all caught beef again  
JD and Dre starting off dissin  
Then they stopped when they figured out nobody was  
listenin  
Then the IRS hauled Jd's cash off  
Dre probaly in Cali now laughin his ass off  
By now don't nothing amaze me  
In the middle of the summer, man Nas went crazy  
He was like, "I got power. Hot ain't gotta play me"  
"All y'all wack, and yes I was gonna lynch Jay-Z"  
I guess he figured y'all ain't gonna punk me  
Admitted to payolla and put Flex on Front Street  
And Flex almost got banned  
When he saw Steph Lova, he tried to speak with his  
hand  
And Steph thugged it, like I ain't bout to get played  
She drove straight to the precinct like I'm bout to get  
paid  
P. Diddy kept cruisin  
You wouldnt think half the year he didnt even have  
distrubution  
Yall can front like I don't care  
But this year, got damn man, Diddy was everywhere

And designer's made doe  
But we got Bur-Burberry, we can't wear that no mo'  
And jersey's is next on the list  
Y'all was wearing throwbacks of players that don't even  
exist  
Shout out to the Clipse, they kept it on time  
The hardest record of the year, that would have to be  
Grindin  
Em became the Elvis of rappin  
Justin tried to do it with black music, EHH! Didn't  
happen!  
Man this year was a trip  
J-Lo and Ben will be over by the time y'all hear this  
War time, Bush wanting actions  
But we was too busy worried about what Missy was  
saying backwards  
Snoop stopped smokin Indo  
Mike Jackson put his baby out the window  
Hot with the Escalade, I know y'all want one  
To get back at the industry, the award goes to Cam'Ron  
"Oh Boy" was huge, G  
Dame gave him the VP, and forgot to tell Jay-Z  
You know what's more wild  
I watched 3LW grow up and turn into Destiny's Child  
And that wasn't expected  
Them broads lost one member, and couldn't sell one  
record  
Scarface made a classic  
Mike Tyson got his ass kicked  
A lot of rappers kept faking  
Beyonce did a lot of dating  
Kelly rushed an album of a joint with Nelly  
And got the same results Hype got when he made Belly  
She still look hot half the time  
Funniest video of the year, that would have to be mine  
Production, my mans and dem got down  
That would be the Neptunes, they got that hands down  
By the rules you gotta play  
And I swear that BET got stock in B2K  
But that's another conversation  
And Tweet know damn well that "Oops" was about  
masturbation  
"Best Of Both Worlds" was sloppy  
But damn it still sold a million copies  
If I was home, I would of told R it's ok to cut  
But do you know how much tour money that you just  
messed up  
And this year was still gutter  
And 50, 50 came back like a muthafucker  
Still beefin with Ja and Gotti  
They could of chose Johnny, Ricky, or Ralph; man why

they choose Bobby  
Whats left to say  
RIP to Left Eye Lopez, and Jam Master Jay  
And thats it from me  
Skillz; I'll see y'all in 2 double 0 3
