(Originally performed by The Osmonds)

There's a message floatin' in the air.
Comes from, Crazy horses ridin' everywhere.
It's a warning, it's in every tongue.
Gotta stop them crazy horses on the run.

(CHORUS)

What a show, there they go smokin' up the sky, yeah.
Crazy horses all got riders, and they're you and I.
Crazy horses (repeat 3 times)
Never stop and they never die.
They just keep on puffin' how they multiply.
Crazy horses, will they never halt?
If they keep on movin' then it's all our fault.

Repeat chorus

So take a good look around,
see what they've done, see what they've done --

Crazy horses. (repeat several times)
