It's been a while Since you last met me Aeons ago On  
ooh crikey, Right back then  
I was a boring git Who had a social life As  
rare as a rocking horse shit, Bob fucking Catley Was  
bardly the word Nuno  
Bettencourt A right flamin' nerd, But now I've  
returned A true nineties bloke Because I've risen my  
head An even bigger joke,  
My names Mr. Formica My middle name is  
probably Keith I've got my flash & Mr.Sheen I am now  
armed to the teeth, To cook

the food And watch the kids Wash out the  
undies Remove the skids, Polish the windows And then  
watch this morning Go  
flower arranging I'm right fuckin' boring, The  
moral of this story Is don't listen to bands who are shit  
Like Magnum for  
example 'Cos you'll become a real wet git, At the  
start of this song My life had improved But I've just  
realised That it hasn't
