For every bridge you burn, you've got a lot to show
Before I repave the streets and roads to my home.
So hang your head and shut your mouth, swallow your
own pride
'Cause in the end you're the weaker man who drowned
in his own lies.
In your perfect world, yeah,
Nothing's ever gonna change.
In your perfect world yeah,
You'll always hide from the pain.
In your perfect...
We've got the amps up loud and we're ready to go
Show me what you've got or is it another show?
So hang your head and shut your mouth, swallow your
own pride
'Cause in the end you're the weaker man who drowned
in his own lies.
In your perfect world
Nothing's ever gonna change.
In your perfect world yeah,
Always hide from the pain.
In your perfect...
In your perfect world
Nothing's gonna change.
In your perfect world
Always hide from your pain
In your perfect world
It's all the same
It's all the...
