She'd come home 6AM
Tell me she'd been out with friends
And I let her lie
I let her lie
And in the glare of the morning sun
She'd swore I was her only one
And I let her lie
I let her lie

(Chorus)
Cause the truth was too hard handle and I
Couldn't bare to lose that girl
We were that small town scandal
But she was my only world

One teary night
she confessed her sins
but she vowed to never cheat again
But I let her lie
I let her lie
Though she tried lord
She could not change

And I only have myself to blame
Cause I let her lie
I let her lie

(Chorus)
Cause the truth was too hard to bare and i
Couldn't bare to lose that girl
We were that small town scandal
But she was my only world

The Day I left
No words were said
She was sound asleep
On our double bed
And I let her lie
I let her lie
I let her lie
I let her lie
